

## VETERANS WILL BE GUESTS OF HONOR

University of Virginia Will Pay Tribute to Sons Who Went to War.

### PROGRAM NEARLY COMPLETED

Classes Organized and Preparations Are Being Made for Commencement.

(Special to The Times-Dispatch.) Charlottesville, Va., April 10.—The graduating classes of the different departments at the University of Virginia have organized the class of 1912, and various committees have been appointed to make arrangements for the final exercises in June. Several features of the commencement program have already been decided upon, the most interesting of which will be the reunion of the Confederate veterans, who left the university at the outbreak of the Civil War.

Dr. William M. Thornton, as chairman of the committee, has completed most of the arrangements for the reunion. On April 13, the fifty-first anniversary of the departure of these students from the university, President Alderman will issue a personal letter to each survivor, with an invitation, in the name of the university, to the reunion of the Confederate Veterans Alumni. The reunion will begin June 10, the day after the final exercises begin. At 8:30 o'clock on June 10, a meeting of the veterans in Commons Hall will be held for the purpose of organizing the "Camp of Veterans Alumni." This meeting will be followed by a dinner given to the veterans, at which Dr. Alderman will be the toastmaster.

During their entire stay at the university, the veterans will be the guests of the university. They will be given rooms in one of the dormitories, most probably in the Randall building. A special table at the Commons will be reserved for them. The committee in charge of the arrangements has already located about ninety of the alumni who left during the war, and hopes to reach many more between now and June.

The university final exercises will begin Tuesday, June 11, with Alumni Day. At 10 A. M. there will be the usual meeting of the alumni association, and at 12 o'clock the alumni oration will be delivered in Madison Hall. The veteran alumni will be given seats of honor at the alumni address. The class exercises will be held on the terrace north of the Rotunda, at 5 P. M. At 8 P. M. the veterans will be the guests of honor at the Colonnade Club reception.

On Wednesday, June 12, Public Day, the procession of alumni, board of visitors, faculty and students will march from the Rotunda to Cabell Hall at 11 A. M. At the awarding of degrees, to be held afternoon, the veterans will occupy reserved seats in Cabell Hall. A culminating feature of the graduating exercises, a medal will be awarded to each veteran alumnus present.

At 2 o'clock a reception will be tendered the graduating class in Madison Hall, when the veterans will again be guests of honor.

### BOY INDICTED FOR MURDER.

Said to Be Youngest Slayer Ever Held in Chatham County.

Savannah, Ga., April 10.—Samuel Simms, a fourteen-year-old white boy, was indicted yesterday for the murder of Thomas Griffin, an eleven-year-old negro boy. Simms is said to be the youngest slayer ever taken in custody in Chatham county. He has just passed the age of an infant as it is held by the Georgia statutes. Simms is alleged to have shot and killed Griffin because the latter kicked Simms's pet dog.

### Youthful Couple Married.

(Special to The Times-Dispatch.) Birmingham, Ala., April 10.—Miss Sue May Meves, of Birmingham, Ala., and Leon DeWitt of Norfolk, were married yesterday at the home of Reister of Leeds and Mrs. J. W. Menden in Harney street. In making application for license, young DeWitt presented a written consent from his father to the marriage. His age is eighteen, while the bride's age is nineteen.

## HIGH-O-ME

That's the Proper Way to Pronounce HYOMEI, the Famous Catarrh Remedy Made From Australian Eucalyptus and Other Antiseptics—Just Breathe It.

## It Banishes Catarrh

Getting rid of catarrh is an easy matter if you will only use a common-sense method.

Germs cause catarrh. You know that, and you also know that in order to cure catarrh you must destroy the germs. Sprays and douches will not kill the germs. Liquid cannot penetrate into the folds and crevices of the mucous membrane of the nose and throat. Neither can it reach the lungs or even the tubes that lead to the lungs.

In every HYOMEI outfit, which is sold by druggists everywhere, there is a bottle of antiseptic liquid that will kill catarrh germs.

Pour a few drops of this liquid into the little hard rubber inhaler which comes with the outfit and breathe this now antiseptic vaporized air over the membrane of the nose and throat infested with catarrh germs.

It's pleasant, soothing and healing, is this vaporized air, and it is really the only remedy known that can reach and destroy catarrh germs and end the misery and humiliation that catarrh causes. Complete outfit, \$1.00. Extra bottles of HYOMEI if needed cost 50 cents. Druggists everywhere sell HYOMEI. It is guaranteed not to contain cocaine, opium or other habit-forming drugs.

The Fragle Drug Co. guarantees it.

## ORIGINAL STATES SEEK ACCOUNTING

Movement in Their Behalf Introduced by Senator Chilton.

### VAST SUM IS INVOLVED

Held That Northwest Territory Was Only Given in Trust.

Washington, April 10.—The Senators of West Virginia and Virginia today began a movement to require the United States government to account to the thirteen original States for every cent it has received from the sale of the Northwest Territory, although a century has passed since the territory was given by Virginia to the Federal government. The sum probably would amount to more than \$100,000,000.

Senator Chilton, of West Virginia, introduced in the senate a bill to give the Court of Claims jurisdiction to settle the claim against the Federal government. Then he spoke in advocacy of his bill, saying Senators Watson, of West Virginia, and Martin and Swann, of Virginia, concurred in the measure.

The West Virginia Senator declared Virginia did not give the territory outright to the Federal government, but transferred title to the government to hold it as trustee for the benefit of all the thirteen original States. As West Virginia and Kentucky were then a part of Virginia and were not within the ceded territory, he asserted these States had a right to share in Virginia's portion of Ohio, Indiana, Illinois, Michigan and Wisconsin were carved out of the territory.

The deed of cession was referred to as showing that the needed land was to be considered as a "common fund for the use and benefit of such of the United States as have become, or shall become, members of the Confederation of Federal Alliance of the States, Virginia inclusive." Senator Chilton explained that the reference to future members was made so as to permit Maryland, then outside the Federation, to participate in the benefits.

At this time, when litigation is pending as to whether West Virginia shall share Virginia's old state debt, Senator Chilton declared it was opportune for the Federal government to make a settlement with the thirteen original States.

He never in their history Virginia and West Virginia needed their part of this trust, it is now, said he. "By the cession Virginia made the Federal compact possible. It is the morning but not the noon of the day. The two States now ask the Federal government for Virginia and West Virginia should now ask the Federal government for a settlement of the trust property committed to its hands."

### CITY RETAINS ESTATE.

Writ Issued by Forest, Va., Man Dismissed by Court.

Boston, April 10.—The Worcester Art Museum retains the \$300,000 estate of the late Stephen Salisbury, of that city. Judge Putnam, in the United States Circuit Court of Appeals, handed down an opinion dismissing a writ of error which Benjamin W. Hubbard, of Forest, Va., had issued against the art museum in an effort to recover one-eleventh of the estate which the museum obtained through the will of his uncle, Mr. Salisbury.

### WILL OPEN OCTOBER 1.

Jake Wells Plans New \$300,000 Theatre in Birmingham.

(Special to The Times-Dispatch.) Birmingham, Ala., April 10.—Jake Wells last night announced that his new \$300,000 theatre building at Birmingham will be known as the Lyric, and that work will begin at once, so it will be ready to open October 1. It will be operated on the same circuit with the Lyric in Richmond, the Colonial in Norfolk, the Forsythe, in Atlanta, and his new theatre in Memphis. Mr. Wells left for Memphis this morning.

### WILLIAM AND MARY WILL HAVE A SUMMER NORMAL.

(Special to The Times-Dispatch.) Williamsburg, Va., April 10.—A special meeting of the board of visitors of William and Mary College was held here yesterday for the purpose of considering the holding of a summer session, which was acted upon adversely a few weeks ago. The summer session will be held somewhere in Southwest Virginia. The exact location is not known at present, but will be definitely decided upon at once, and preparations will be made to transport the necessary library and laboratory equipment for the courses which will be offered.

### QUICK RELIEF FOR CROUP

(By request.) Rub the throat and chest at once with a liberal quantity of Mentolated Suet and cover with hot flannel. Have the patient swallow a small piece of Mentolated Suet also. Relief comes almost instantly. This is an old time remedy, but is certain relief. Mentolated Suet is a household remedy and can be had from any drug store.

No instructions were given the delegates as to how they should cast their votes in the State convention. The meeting was one of harmony, and President was not discussed. It is quite evident that this county will cast their ballots for Wilson.

The contested election case of A. S. Bridgeforth against C. A. Hatchett, for the office of county treasurer, will be taken up to-morrow before Judge Wm. R. Barksdale, and it is expected that a decision will be rendered in this matter at once. Attorneys on both sides have been busy during the past three

months taking depositions in this case, and these were only completed last night, entailing a loss of \$1,500. A quantity of foodstuffs and machinery was also lost in the fire, the origin of which is unknown.

**DELEGATES APPOINTED TO STATE CONVENTION**  
(Special to The Times-Dispatch.) Salisbury, N. C., April 10.—At a meeting of the Democratic County Committee, held yesterday at Lenoir County Courthouse, the following delegates were elected to the State convention at Norfolk: W. C. Winn, Pleasant Grove District; A. B. Shackleton, Lewiston District; W. D. Nettlet, Lachaven District; J. T. Nettlet, Lachaven District; Hon. S. H. Love, Columbian District; G. E. **Baro Is Burned.**  
(Special to The Times-Dispatch.) Salisbury, N. C., April 10.—A barn of Ernest Shoop, of China Grove, Rowan

county, together with two horses and five head of cattle, was burned last night, entailing a loss of \$1,500. A quantity of foodstuffs and machinery was also lost in the fire, the origin of which is unknown.

**Meeting of Church Societies.**  
(Special to The Times-Dispatch.) Salisbury, N. C., April 10.—Everything is in readiness for the opening of the North Carolina State Convention of Baraca and Philanthias in Salisbury on Saturday night. The occasion opens with a social session in the armory, at which several hundred delegates will be welcomed. This will be the first convention of the kind held in Salisbury and the second in the State. From 600 to 800 delegates are expected. Among the noted speakers on the program will be Marshall A. Hudson, of New York, the founder of the world-wide Baraca work.

**WARWICK CASTLE LEASED.**  
One Result of Countess's Visit to America, It Is Said.

London, April 9, via Glace Bay.—The Pall Mall Gazette states that one outcome of the Countess of Warwick's recent visit to the United States is the report that Warwick Castle will be let on a long lease to a wealthy American. The newspaper gives no hint as to the identity of the American.

Warwick Castle is at present the residence of the Earl and Countess of Warwick. The Countess has become widely known for her sociable ways. She even has made speeches from a car in favor of labor candidates at elections.

For many years the castle was involved in the wars of early England. It was strengthened after the Norman invasion, and much of the castle as it stands at present bears a date more recent than the battle of Hastings. Tradition, however, dates the first castle at Warwick back to the time of Ethelred, daughter of King Alfred. Henry VIII. made this castle his headquarters in the wars against the barons, and Edward IV. was imprisoned there. Other sovereigns have been entertained there. Queen Elizabeth was one of these. She was entertained in July, 1596, under direction of Louis M. Parker, the playwright.
